

PULCIS IN FUNDO published in U.S.

American press house NEGATIVE CAPABILITY PRESS, Mobile (Alabama), directed by Sue Brannan Walker, Poet Laureate of the State of Alabama, has published the English version of PULCIS IN FUNDO, poems' book by Alessandro Rosada for his dogs.

Masterfully translated from the Italian by Anthony Molino, the book comes out in US with the title THE BEST OF ALL WORLDS, and will be submitted next Spring in the Botanical Garden in Mobile and in the local University.

It's the first time that a living poet born in Trieste is published in United States.
