

GIORGIO MORANDI

[postponed to 2022](#)

Some of the works selected for the tribute to Giorgio Morandi will be transferred to Spain at the end of August, in occasion of the big retrospective organized by the Fundación Mapfre of Madrid.

The show will take place in October in Madrid, and in February in the spaces of La Pedrera in Barcelona.

Galleria Torbandena has postponed the show to the next year, when the works of the Emilio Jesi collection will come back from Spain.

Around twelve oils and watercolors, selected by Marilena Pasquali, will be hosted in the historical space of the gallery.

With some important provenances of collections who has accepted with enthusiasm to participate in this project.

During the exhibition (with date yet to be specified) will be presented the book by Marilena Pasquali on Giorgio Morandi: *Il sentimento delle cose*, published by Gli Ori editors.
